Product Highlights

• Incredible Surround™

Enjoy fantastic sound experiences without the need for setting up any extra speakers.

• 2 PLL Tuners

Watch one programme while recording another with the freedom of the 2 PLL Tuners.

• Turbo Drive

Enjoy the ease of use and the comfort of one of the fastest VCR decks in the world.

• SMART Picture

Optimise the sharpness and colour to your own reference with this unique feature. Choose out of different options: Soft, Natural, Rich or your Personal setting.

• SMART Sound

Optimise the sound to your own preference with this unique feature. Choose out of different options: Theatre, Music, Voice and your Personal settings.

• Plug & Play

Installing a Combi has never been easier! No need of the user manual. Just let the Combi guide you through the installation steps.

• SMART Clock

For automatic download of the current Time & Date. No more hassle with the clock setting after long power failure or at the daylight savings time switch over.

• Formatter

Reduce the width of the black bars (typical for cinemascope movies or 16 : 9 broadcasting) on your screen to a minimum, by activating the Formatter.

• VPT/TXT Programming

Easy timer programming under your thumb? Always with the latest update of programme information? Without any need of a programme magazine? Just switch to the Teletext programme guide and press the Timer key. VPT/TXT programming will directly obtain the correct programme data for the desired timer from Teletext.

• Crystal Clear Video

With Crystal Clear Video, Philips has created the perfect combination of technologies to guarantee the best possible picture restitution:

- Digital Studio Picture Control: It optimises the picture rendition regardless of the quality of tape used.
- Laser Cut Video Heads: They have a better profile for a superior head/tape contact: Lesser wear guarantees longer life and higher performance quality.
- Studio Tracking System: It improves the tracking accuracy and reduces the cross-talk noise.
- Natural Colour: It cleans the colour from any kind of noise and corrects the spill.

• One-Touch SAT Recording

All you need to do is connect your Satellite Tuner to the SCART of your Combi and programme the desired recording on the Satellite Tuner. Press the two Volume keys on the Combi simultaneously, and it will be prepared for SAT recording. When time has come, the Satellite Tuner wakes up the Combi and it starts the recording.
